

include/sc_request.h

```
graph TD; A[include/sc_request.h] --> B[request.h]; A --> C[stdint.h];
```

The diagram illustrates a header file inclusion. A central box at the top, labeled 'include/sc_request.h', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'request.h' and the right box is labeled 'stdint.h'. This indicates that 'include/sc_request.h' includes both 'request.h' and 'stdint.h'.

request.h

stdint.h
